Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	The access lanes to Barns Green are not suitable for the extra traffic that more housing development in the village will bring. In school term there is a lot of traffic with pupils attending Muntham House school. The bends on the Two mile ash road are dangerous, with speeding cars and vans. More traffic will increase the danger.

Kind regards
