Dear sir
I write to support [REDACTED] and richards application to live on and farm their land
I have been a customer of theirs for the past 6+ years buying their produce from their previous farm. They work hard to achieve a fantastic quality of life for their animals and it shows in the quality of their produce. Their animals come first and being with them ensuring their health and well-being is a paramount priority.
[REDACTED] and Richard are good, kind people who want to produce goods from the land. They can and will succeed (as seen at their previous holding) if they are given the chance to bring on their animals and birds at Pinkhurst Stud

Kind regards
