Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Privacy Light and Noise
Comments:	I would like to object as I feel the size of the proposed dwelling is far too big for the plot size. There is no vehicle crossover to get onto the plot and one hasn't been applied for. The building will be looking directly into my neighbours lounges which I feel is an invasion of privacy and also Southern Water has confirmed it is too far away from the mains drainage for foul water. The size of

the area does not suit a domestic dwelling and will encroach on the neighbouring properties.

Kind regards
