Comments:	Dear Mr Holmes, I am writing in support of application DC/26/1066, Land Known As Pinkhurst Stud, Pinkhurst Lane, Slinfold. I live nearby at Pinkhurst, I know the applicants and visit the site, so my comments are based on what I have seen directly. The site is well kept and orderly and the animals appear properly cared for and adequately sheltered and fed. Practical improvements have been made since the applicants took the land on. The entrance has been noticeably improved and now presents more tidily onto the lane than it did previously. From the lane and from the adjoining Downs Link, the caravan and the activity on the land are not readily apparent and in my view the proposal does not harm the appearance of the lane or the rural character of the area.

I have experienced no noise, traffic or other disturbance arising from the site.

I understand that any permission would be temporary and personal to the applicants, and would fall away if they left. On that basis I am content to support the application.

Yours sincerely

Kind regards
