Hi Alice

My understanding of this is that we were not consulted on the bus/taxi trial that took place in terms of the dates/times and how the service was to be provided. I've attached a copy of an email I sent to yourselves which whilst it doesn't directly answer that question it does give you an understanding of the position of the parish in terms of how they felt the trial was run.

The email also gives you the dates and times of the trial, which you've asked for.

I've also copied in David Crockford who at the time believed that an alternative provision would have been more useful, in consultation with Metrobus who run the buses there locally. I'm not sure of the ability to resurrect an alternative now but it was felt that the trial was insufficient

Best Regards
