Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	The proposal of 120 houses is ridiculous. Not only will this effect the wildlife and landscape, but there is no Infrastructure in place to accommodate this build. The increase in cars will also cause more noise and pollution. The A281 is already problematic with frequent accidents and last year a fatality.There will also be a strain on the

utilities, which is also a concern. We should be protecting our green spaces, and not allow developers ruin our countryside.

Kind regards
