Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	It is not clear from the application if this is extra accommodation for the house or potential new residence. As the owner of the access road to the property, no new building can obtain rights of access to West Chiltington Road as per the deeds of the existing houses involved. Despite being very close to the proposed work, I have received no

notice of this application, and have only just been made aware of it on my return from abroad.

Kind regards
