Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	This much needed addition will assist the football club and the various users of this site. The fencing will create a much needed barrier between the two pitches which will assist in safeguarding the users whilst both pitches are being used. The fencing will not change the outlook of the pitches from any perspective.

Kind regards
