Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	This is another attempt to destroy local green areas which are important to the future of this country and local town not building more houses and over populate. This also just applies more pressure on local services where people are already struggling with schools, doctors etc.

Kind regards
