Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Traffic congestion at Moorhead Roundabout. It is in part of the High Weald National Landscape. Wildlife and eco-systems will be impacted with pollution from cars, noise and light.

Lacking local infrastructure: schools, hospital, doctor surgeries and emergency service.

There is already congestion on the A264 and this does not include the Mowbray traffic on the estate that is not yet built.

Kind regards
