Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I object to the above planning application due to: Possible traffic congestion at Motorhead roundabout. It is in part of the High Weald National Landscape Wildlife and eco systems will be affected with pollution from cars Lacking local infrastructure schools, hospital, doctor surgeries and emergency services. With latest possibility of government being moved to Manchester are these houses actually going to be necessary? Commuter belt may no longer be as it is presently.

Kind regards
