Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Trees and Landscaping
Comments:	I am concerned about the impact on local services eg GP and pharmacy provision plus schools. The level of traffic would increase significantly in an area which has already seen increase due to development. Concerns about provision of water - southern water have already

issued letters of concern about keeping up with the growing demand.
I am also concerned about the loss of further green space and the impact on wildlife.

Kind regards
