Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	I lived in barns green most of my life before I moved to Wisborough green. My mother still lives in barns green so I spend a lot of time there with my children. I object due to the harm in woodland and habitat loss. Inadequate infrastructure and electricity supply. There will be a huge parking

impact and public transport limitations. Loss of village amenity.
Wrong housing mix.

Thank you

Kind regards
