Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	The application is not in accordance with the Neighbourhood Plan, which was for 10 bungalows for elderly people to downsize. The new development of 9 2/3/4 bedroom houses will be for families and will mean 2 or 3 cars for each household with very little parking and extra flow of traffic. Access to the site has narrow restricted access through a private

road and will not have a footpath. The estate roads leading to the development are already clogged up with parked cars and deliveries.

With no access for dustcarts this will lead to the entrance to the development being used for bin storage overnight on collection day.

Kind regards
