Dear Kate

Re: Planning Application No: DISC/26/0043 – Discharge of condition 2 – Bird Hazard Management Plan in relation to DC/23/1694 regarding the Kilnwood Vale Neighbourhood Centre

Our Ref: LGW6063

Further to the above-mentioned discharge of condition application and our subsequent correspondence.

As the roofs of the buildings in question have been amended from flat to pitched, we no longer have any concerns with Gulls utilising the roofs and the Bird Hazard Management Plan is no longer required.

If you have any queries, please do not hesitate to contact me.

Yours sincerely
