Land West of Trickles Wood – Hole Street, Ashington W.Sussex RH20 3DE
(To be known as Trickels Barn Farm)

We purchased this plot of agricultural land earlier this year with the belief that we had right of access to it via Trickles Lane (on the Western boundary). We have subsequently been informed by the neighbours' solicitor that this is in fact trespassing and that we cannot access our land from there.

To use the land and recover it back to useful agricultural condition, reinstate the barn and introduce livestock we need to construct a permanent trackway from the Hole Street entrance.

Kind regards

Karen Ockelford
