Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	This field/s are used by so many in the local community. Not only would another 200+cars be needing access, the traffic would be awful at rush hour. The loss of wildlife, deers, birds and all other types of wildlife and insects would be disastrous to the environment. We do not need any more houses in this area

Kind regards
