Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This will hugely impact traffic and congestion around the area. The green space around this area was a major selling point when purchasing our property, with hopes to sell our property in the next few years, I believe the works and the over population of this area

will result in a loss to existing homeowners locally. This will also contribute a large amount of noise and pollution to a normally quiet area.

Kind regards
