Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Trees and Landscaping
Comments:	Objection for new properties in our old small village. New developments will destroy the village and reduce house prices. It will take away our lovely rural fields and tress, shrubs etc . Which is what the village is all about! Barns Green have a fantastic

community with good people and very low crime rates new developments will jeopardise this! I've only recently moved to the area which I chose based on the character and feel of Barns Green and to get away from new developments certainly do not want it to follow!!!! I also believe parking will start to become an issue too!

Kind regards
