STANCE : OBJECT TO THE PLANNING APPLICATION

Hi my names [redacted] I know your
Plan is to build houses ^{and} at my age I like to
go outside and enjoy looking at the Sheep
and cows. Once a year there is a car show
to help other people it is a busy ^{day} where I get
to see my friends and I know it raises a lot of
money.

I really enjoy all of this every year and it makes
me happy, so please can you think about this
for problem.

Thank you so much.
[redacted]

P.S. My friends love it as much as me. I ~~don~~
don't know your plan about the footpath opposite
the Pub where I like to walk with friends when
we are bored, but I like using that path. I
love the plants down the ~~big~~ footpath & the plants
smell and look luxurious, the flowers are so lovely in
the ~~summer~~ summer and spring.
