Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Privacy Light and Noise - Trees and Landscaping
Comments:	I wish to register my support of this application. As a neighbour I believe the wood store has been used as a dwelling and therefore should be permitted. The balance of probability, in my opinion, has been demonstrated and given the council isn't achieving its

housing supply, does not have a local plan that's in date or meets the updated NPPF directive, HDC should permit it and stop wasting public and private money.

Kind regards
