Customer Details

Address:	18 Potters Place Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I am happy for the proposed development to take place but as a neighbour who overlooks the property my comment is: Delivery drivers working on behalf of the food outlets in the road do park on the pavement directly outside the doorway to the property. They arrive at speed with no care that someone may be leaving the property. Although there are double yellow lines outside the property this does not deter the drivers from parking. I would recommend that permanent bollards are erected on the pavement to prevent drivers parking.

Kind regards
