Subject: Erection of a two storey detached dwelling with new vehicle access from Kerves Lane. Garden House, Kerves Lane, Horsham, West Sussex

Categories: Consultations

Hi,

We received an email from you on 17 December, relating to the above.

We have discussed and checked amongst the relevant committee members, and whilst we do recall, we can find no trace of any response to you or any review.

It seemed to be generally favourably acceptable, and although there was to be a public discussion on 6th January, this has since been cancelled!

If we can assist further, do get in touch, through our club secretary.

Regards,

Guy Stanley
Vice chair, Forest Neighbourhood Council
