Comments:	I object to the proposal to fell the Silver Birch tree sited on the site of the Trinity United Reformed Church. I live in Flat 12 Stanmore House and additionally own Flat 5 which I rent out. I have lived in Billingshurst for 35 years (17 of those in Stanmore House). As a resident of Billingshurst I believe that the felling of the Silver Birch tree in question would significantly impact the character of the Conservation area. It is a beautiful, well maintained tree which frames the High Street

at the southern end and does so throughout the seasons. Felling this tree would I believe change the character of the conservation area at this section of the High Street. I can see no benefit in felling this tree as a resident and can see considerable impact on the character of the Conservation area if the tree were to be felled.

Additionally as a neighbour in Stanmore House and owner of Flats 12 & 5, Flat 5 directly overlooks this tree which can be seen from the window on the right of the property. It is a beautiful tree in keeping with the character of the conservation area and is frequently commented on.

Kind regards
