TO:	Horsham District Council – Planning Dept
LOCATION:	3 Gatewycke Terrace Tanyard Lane Steyning
DESCRIPTION:	
REFERENCE:	DC/24/1415
RECOMMENDATION:	~~Advice /~~ No Objection ~~/ Objection / More Information / Modification / Refusal~~
SUMMARY OF COMMENTS & RECOMMENDATION: The proposed solar panels will not harm the character of the conservation area.	
MAIN COMMENTS: Dear Meg, Nos.1-3 Gatewycke Terrace are not reflective of the historic cottages to the east. They are examples of poorly executed design seeking to reflect a village vernacular. Although the solar panels will draw attention, I am satisfied the host building is not readily recognised as reflecting the quality of the historic environment and is seen for what it is. The addition of solar panels in the street scene will not prevent or dilute opportunities to understand and appreciate the character of the conservation area we wish to preserve in this case.
