Hi Nic,

Sorry for delayed reply. I've had a look and this one is sorted now. They'll likely need to re-discharge condition 7 again, partly because they have proposed to do more infiltration testing once the construction access is built, which will then mean changes to drainage strategy will be needed but as that will just affect the soakaways it is fine for the variation of condition 1 application.

Kind regards,
Ellie

Dear Ellie

Apologies for the chaser, but my application on this site is coming up for determination on Tuesday 8th April, and the only outstanding issue was the drainage strategy, which the applicants revised. Re-consultation was sent out on 11th March.

Do you, by chance, have a positive update for me, please, on the revised drainage strategy (rec'd 4th March)?

Kind regards
Nic

Nicola Pettifer
