Dear Alice,

**RE: DC/25/1023 – Danefold House Littleworth Lane Partridge Green RH13 8NA**

Thank you for your re-consultation regarding the above site, received on 27th November 2025.

Having reviewed the updated documents including RSPD Drawing 6126-02 (Overland Flow Routes) we are now satisfied that surface water flow paths can be appropriately managed within the site without increasing flood risk elsewhere.

We are pleased to confirm that the information provided within the latest Flood Risk Assessment & Drainage Strategy meets the requirements. We have **no objection to the application** subject to implementation as per these approved details.

Yours sincerely,

Natalie Biddulph
