Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	With car alarms continuously going off it is difficult to to get any sleep [redacted] the extent of change of purpose from agricultural land and residential to commercial has a large risk of flooding It has reduced prices of all properties in the road due to unwanted noise and spoilt land With this in mind I sincerely object and the land should be returned to agricultural green belt it has also created large volumes of traffic within the area making it unsafe for the children of Bonnetts lane to walk to the school buses that West Sussex provide

Kind regards
