Categories: Comments Received

Dear Case Officer,

With the consultation period due to conclude tomorrow 23/06, I would be grateful if you could confirm that the information and photographic evidence I submitted [REDACTED] within the proposed development site, via the HDC Planning Application Comments Portal and by email on 6 February 2026, 9 February 2026 and 12 February 2026, has been received, reviewed and taken into consideration by both the case officer and Place Services as part of their ecological assessment of this application.

Given the importance of this evidence to the determination of the application, I would appreciate confirmation that it has been assessed prior to any recommendation or decision being made.

I look forward to your acknowledgement and response.

Yours sincerely
