Dear Case Officer

I would like to offer recent evidence of Barn Owl activity at planning reference site DC/25/2114.

The Barn Owl is protected under Schedule 1 of the Wildlife and Countryside Act 1981 in the UK. This classification provides the birds, their nests, eggs, and dependent young with the highest level of legal protection, making it a criminal offense to intentionally or recklessly disturb them.

Please acknowledge receipt of the evidence as part of the ecological assessment of the application.

Yours sincerely
