Dear Halima

I am forwarding the photos of the Barns Green pavilion taken by my client Russ Parkes today.

They show the two extensions that have been constructed at each end

I hope these are suitable if not please let me know.

I will also send another email showing the interior of the changing rooms.

Kind regards Sara Rudkin

Hi Sara

See below the photos of the various elevations.

The first is east, the second is north, third is west, and fourth and fifth north.

Regards

Russ
