Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	As a user of Jengers Mead car park and a member of the female only gym at Laura House I object to this application on the grounds of intrusion of privacy - pan-tilt-zoom cameras would be able to look into the gym which is a safe zone for its female members. The purpose of the cameras is unclear as is how they would be regulated. There has been little or no consultation with residents and businesses about their installation.

Kind regards
