Subject: Re: Objection to DC/26/0732 - Counsel opinion

Hi Dan, hope all is well - we've not spoken before, so I'll just introduce myself - I am a planning agent representing the neighbours to this site.

My clients have asked if we can submit further comments to the response to our Counsel opinion. Can I ask if a determination is close? I see the 8-week period expired a few days ago. Will it go to Committee?

Many thanks, [REDACTED]
