Comments:	I am a Steyning Cricket Club member, Committee Member, coach, player and long term resident of Steyning. I have also been part of the sub-committee for the presented plans. I fully support the proposed plan for the new pavilion for Steyning Cricket Club. The plans have been carefully considered and subject to wide consultation ,engagement and revision.

Steyning Cricket Club are planning for the future, cricket has been a part of the fabric of Steyning since 1721 and has a rich history. Currently, it provides opportunities for players from 9 to 71, running 4 senior teams in the Sussex Cricket League and teams across the junior age ranges.

The new build would provide the most up to date sporting and community facility in Steyning, reflecting the highest level of compliance for sporting bodies and access for all potential users.

Sporting, recreational and community based activities have been considered in the plans with spaces available for groups of all sizes.

Kind regards
