Reasons for comment:	- Design - Privacy Light and Noise
Comments:	The extension looks great but my objection is against having 3 windows on the proposed East Elevation. With the side wall being so close to my property, these windows could be intrusive and I fear could affect future saleability. Having reviewed the referenced properties at 24 & 26 Whytings and 9 & 11 Whytings, these only have one window each, which is less intrusive to the opposing house. Therefore I would suggest the plans are amended to be in keeping with the other properties in the Whytings.

Kind regards
