Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I object for a number of reasons and think the idea of this development is quite frankly disgusting. It is already a struggle to get down Church Lane as a number of homes on Church Lane do not have driveways. It would be quite frankly impossible to get down there if there were approx 200+ more vehicles. The roads in Ashington would be absolutely gridlocked and nobody would be able to leave the village. Let alone how dangerous the road would become for children walking to school. The co-op and local shops are already tiny. There isn't enough room for more people - people already have to queue to get into these shops. It is also disgraceful to build a busy road next to a graveyard and church.

Kind regards
