Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	Please read this in conjunction with my other letters of objection previously submitted. It is even more important that this is rejected considering they are about to start the removal of Ash dieback between our residential properties and the business park, particularly as they will not be replacing them. This will leave us with even less noise screening

protection.

Please refuse this application.

Thank you

Kind regards
