Extract Roof Junction dated 31.05.2026

Please note that in accordance with the submitted planning drawings, the proposed updated position of the extract will differ from the images shown. It is proposed to be raised to sit just below the eaves height of the main building. This adjustment will help make the extraction more discreet and will reduce the likelihood of vandalism.

NOTES

- do not scale off this drawing except for planning purposes

- check all dimensions on site before any work is commenced

- all goods materials and workmanship must conform with current building regulations, British standards and codes of practice

- copyright of this drawing is retained by the Architektón Architects LTD and it must not be reproduced without written

- Party Wall etc. Act 1996

If you are building on or near a neighbouring building or structure, your works may be subject to the Party Wall Act. It is the Client's responsibility to ensure all requirements under the Act are adhered to. You must ensure that you serve the relevant notice(s) on your adjoining neighbour(s). If you have any queries about this, then you should contact a Party Wall Surveyor to assist you.
