Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment
Comments:	I'd like to object to this development due to the fact that the immediate roads surrounding this land are already in awful state. The Brighton Road is already a busy road especially during busier times of day. Its already difficult to get on to the Brighton Road from the minor roads due to the amount of traffic. [REDACTED] [REDACTED] I feel the amount of homes proposed and in light that most homes will have 2 cars per household at least, will massively impact the surrounding area. We also have no 24hr a&e nearby either.

Kind regards
