Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise
Comments:	I provide a service to a few houses along new road and have noticed how the traffic has increased over the years, if this was to be approved it would mean that there would be even more traffic due to this additional business ,there would be more vehicles coming and going (horse boxes /trailers which arent small) and also deliveries and customers collecting medication etc at all times of the day, the road is in bad enough shape as it is with

potholes etc , more traffic would make them worse
overdevelopment and loss of a residential accomodation , there
are commercial spaces in billingshurst which are vacant and also
at this time being made which would potentially be suitable for the
proposed business

Kind regards
