Comments Details

Commenter Type: Parish Council

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment: - Other

Comments: The Parish Council raises no objection to this application in principle, as the property could accommodate an extension and would benefit from updating. However, concerns remain regarding the proposed appearance. The introduction of grey weatherboarding and a flat roof appears out of keeping with the surrounding properties, which are predominantly pebble dashed. In addition, insufficient detail has been provided regarding the proposed finishes. The Parish Council therefore offers no

objection, but requests that materials and finishes are clarified and designed to reflect the character of the street scene.

Kind regards
