Hi Council,

[REDACTED] owner of 46 Barrington Road.

As the consultation has been extended for not known reasons and some new plans have been submitted which seems to be the same as previous ones, I just want to reiterate our objections that I pointed out in the previous comments I've sent last 26/02/2026.

Our position doesn't change and we still object for the same reasons.

Kind regards,

[REDACTED]
