Comments Details

Commenter Type:	Neighbour
-----------------	-----------

Stance:	Customer objects to the Planning Application
---------	--

Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
----------------------	--

Comments:	as near neighbour i feel this will completely spoil the look of the original barn, it is a significant over development and aesthetically completely at odds with the neighbouring properties being a tall tin shed adjacent to historic oak clad former agricultural barns.
