Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Considering this is a rural green areas where nature thrives on the open spaces afforded to them. I strongly object to this development. We are told how nature needs space, why not give it to them? I also feel the infrastructure in the local area is far from suitable for

such a development, and no, lowering speed limits to accommodate such developments is not a considerate rectification.

The whole beauty of Sussex is being lost due to villages and their surrounding areas being destroyed by such developments. We need to stop before we implode

Kind regards
