Stance: Customer objects to the Planning Application

Reasons for comment: - Highway Access and Parking
 - Overdevelopment
 - Trees and Landscaping

Comments: Enough is enough. We have to consider the environment for our future generations.
 Also we are promised amenities, affordable housing etc but they are never forthcoming.
 I have lived in the village for 37 years and lived through all the promises and so far I haven't seen any.
 I love the fact that I can walk and find myself in the countryside very quickly but this will be denied to our children and their children.
 Please think about your constituents and not the profits to be made.

Kind regards
