CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Godrevy 1 Richmond Rd, Horsham
PROPOSAL:	Surgery to 1x Purple Maple (Works to Tree in a Conservation Area).
REFERENCE:	CA/26/0059
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection – see main comments	
MAIN COMMENTS: Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Copper Maple tree is a medium sized tree with a broadly spreading crown. The crown area would benefit from a reduction by 1.5m overall and a crown thin. The crown is very dense and creates a large sail area. If the crown is thinned and cleared of any rubbing or dead wood, the tree will be less of a hazard to the roof of the nearby building. Any low hanging branches could be lifted to 3m to increase light levels. Therefore, HDNC has no objection to this application.	
ANY RECOMMENDED CONDITIONS: See main comments.
