Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	The A264 is already a death trap with so much traffic. This problem is already in discussion with the local Councillor. This area is already over developed with Mowbray and Kilnvale. These developments have vastly increased traffic, and associated noise & pollution. In addition, car accidents and regular flooding of roads occurs, plus the ongoing tragedy of so many wildlife being killed

due to traffic! There is a Lack of general facilities available - so the demand for sewage, water, power etc, will exacerbate the disruption to a wholly unacceptable and unsafe level. We urge you not to approve this application.

Kind regards
