Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	We have been here before! What is the point of winning to have to keep fighting. Isn't the massive housing department opposite enough? It will create more traffic to access Horsham, which already is painful to get in and out of all other exits.

The land is a place of beauty and nature which we need to look after! Or we become another concrete town.

Kind regards
