Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	This area is part of outstanding beauty and the wildlife I've watched and seen over the years lived in the vicinity will be affected by a new build in the area. The ancient woods, the wildlife that roams the area will be threatened. I've opposed this area twice already and am willing to do so again.

Kind regards
