Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	The site was included in the Henfield Neighbourhood Plan (5.34) on the basis that it was to be 10 single storey properties which would encourage downsizing to free up large family houses. Nine 2/3/4 bedroom family houses do not comply with this. The site could not cope with the potential traffic movements from resident families, visitors and deliveries.

Access to the site is severely restricted and only through Daisycroft which is a privately owned cul de sac. The site entrance is less than 3 metres wide at the entrance which is not wide enough for emergency vehicles, refuse lorries and construction traffic.

Kind regards
